

Panoramic Sunroof Frame

Specifications

- **Product** : Carbon-Long Fiber Thermoplastics (C-LFT)
- **Application** : Panoramic Sunroof Frame
- **Materials** : Carbon fiber / Thermoplastic (PA)
- **Manufacturing** : Injection Molding
- **Effect** : Weight Reduced (50%)
- **Specifications** : High Modulus and Moldability,
Low Warpage, Good Weatherability
- **Joint R&D** : Hyundai, Webasto Donghee

Manufacturing Process

LFT-Pultrusion

LFT Pellet

Injection Molding
